COLOGNE GRADUATE SCHOOL
in Management, Economics and Social Sciences

The Cologne Graduate School in Management, Economics, and Social Sciences (CGS)

offers a

Doctoral Scholarship

in the WiSo faculty's Key Research Initiative

Sustainable Smart Energy & Mobility

(three years, starting October 01, 2023)

The Cologne Graduate School in Management, Economics and Social Sciences (CGS) at the University of Cologne (UoC) offers **one three-year doctoral scholarship** to outstanding students holding a Master's degree (or equivalent) in Information Systems, Computer Science, Business Management, Economics or an affiliated field.

The scholarship is integrated into the newly created initiative Sustainable Smart Energy & Mobility. This initiative brings together researchers from different disciplines to work on a large variety of topics, ranging from the operational management of assets such as battery storages or electric buses, over the use of artificial intelligence in complex coordination problems, to the definition of new market environments that incentivize system-optimal behavior of human and software agents.

About the Program
The scholarship holder will be enrolled in the Economics doctoral track of the CGS of the Faculty of Management, Economics and Social Sciences (WiSo). The course program will start in October 2023. During the first year, students will take part in courses on multidisciplinary methods and theories, as well as subject-specific courses. Courses are taught in English. During the second and third year, students mainly conduct research and work on their thesis.

Qualifications
We are inviting applications by highly qualified graduates from Information Systems, Computer Science, Business Management, Economics or a related field of study. Candidates must hold a Master's degree (or equivalent) or be very close to completion.

Scholarships
The scholarship amounts to 1,515 € per month plus a yearly research budget of 1,000 €. The scholarship is awarded for a maximum period of three years and is tax-free.

Application Procedure
Application is online only. The deadline for the submission of your application is March 1st, 2023. For further information about the CGS, please visit the School's website. For more information on the application process and application documents, please visit the section on scholarship application.
